Dr. Amadeo Maiuri
Director of the Naples Museum
Naples, Italy.

Honored Sir:

Will you be so good as to request one of your assistants to send me a sealing wax impression or a plaster cast of a Tarentine coin in the Santangelo collection? Below I append a rough sketch of this coin, which, however, is very easily located, as it has been published by Sir Arthur Evans in his "Horsemen of Tarentum", Plate XI, No. 4. If, at the same time, you could inform me whether there are any other specimens from this pair of dies in the Naples collection, I should greatly appreciate it. Thanking you in anticipation for your courtesy, I beg to subscribe myself

Very sincerely yours,

SN:JG
